

Ido Koperli

✦ A 3rd - year Information Systems & digital innovation student **Looking for a BD\BDR\SDR role.**

✦ Strong communication abilities, proven experience explaining technical concepts clearly, and hands-on skills in data analysis, prospecting workflows, and cross-team collaboration. Resourceful, fast-learning, and driven to open pipelines, generate qualified leads, and support revenue-growth processes.

Skills

- **Sales & Business Development:** Lead generation workflows, CRM (HubSpot), cold outreach structuring, prospect qualification, stakeholder communication, understanding customer pain points, objection handling foundations.
- **Communication & Presentation:** Public speaking, technical-to-business translation, persuasive communication, creating and delivering workshops and presentations tailored to diverse audiences.
- **Analysis & Visualization Tools:** Excel (advanced formulas, pivot tables, Power Query), Google Sheets (FILTER, QUERY, pivot tables), Python (Pandas, NumPy, Matplotlib), Visio.
- **Data Management & SQL:** MySQL, advanced SQL (window functions, nested queries, aggregations), ETL fundamentals.
- **Data Analysis:** Looker, OpenSearch, Kibana, ad-hoc analysis, data cleaning, KPI tracking, business case development.
- **Project Management:** MS Project (Gantt Charts), Monday.com, WBS diagrams, Agile (Scrum/Kanban).
- **Design & Modeling:** Design patterns, UML (ERD, DFD, activity diagrams, etc.).

Experience

2025 - Present

Noc Engineer | Rapyd Financial Network (2016) Ltd.

- **Led cross-team communication** during **production incidents** consolidating findings, **validating issues with external gateways/partners**, and ensuring accurate, fast escalation to the relevant stakeholders.
- **Monitor Rapyd's products** (Collect, Disburse, Issuing, Ewallet) infrastructure using **Looker dashboards** and **OpenSearch log analysis** and **dashboards** to detect anomalies, performance issues, and irregular transaction patterns.
- Analyzed product behavior using **Looker, OpenSearch** and **Kibana extracting insights and presenting conclusions** to Product, Engineering, and Business teams.
- **Build and maintain** operational **dashboards, track key KPIs**, and perform proactive investigations into abnormal data behavior.

2024 – 2025

Lecturer & Technical Instructor | ITQ Consulting - Professional Training Center for IT and Cisco Ltd.

- **Delivered 200+ hours of lectures and technical training for groups of 10–30 students** on IT fundamentals, network troubleshooting, and Cisco certification (CCNA/CCNP) topics.
- **Designed & facilitated** hands-on labs with **Packet Tracer, GNS3, and Wireshark.**
- **Prepared over 60 students for CCNA/CCNP exams - achieving 80% pass rate within 3 months.**

2021 – 2023

Senior Network Engineer & Project Manager | Rafael Advanced Defense Systems Ltd.

- **Built, Designed** and **Presented infrastructure plans, project updates, and technical designs** for internal and external teams.
- **Led cross-functional** project teams and managed technical integrations with multiple stakeholders.
- **Led integrations**, network engineering projects and established dedicated laboratories for data testing in highly classified projects.
- **Managed** and **designed** network topologies, implementing multicast, dynamic routing, and LAN environments for multiple clients both locally (Israel Defense Forces) and overseas.

2018 – 2021

Junior Network Engineer | IAF, base 108 Tzrifin | Mandatory Service

- Supported data and RF communication integration for the Israeli Iron Dome defense system.
- Troubleshooted and resolved high-pressure issues in mission-critical environments.
- Designed and planned LAN and data-center network architectures.

Education

B.Sc. in Information Systems

The Academic College of Tel-Aviv, Yaffo | 2023 - Present |

- Specialization in **Digital Innovation** | GPA - 84 |

Practical Engineering Diploma

Kinneret Academic College | 2016 - 2018 |

- Specialization in **Electronics and Electronic Systems**

Achievements

- Two Honor Certifications from Rafael Ltd.
- Google Analytics Certification.
- CCNA Certification.
- Project Management Certification of Completion.
- Practical Engineering Diploma.
